

BARREL ROOM

A UNIQUE MEETING SPACE

Located in the original winery, the Hollydene Estate barrel room provides an exclusive and distinctive venue for larger group meetings, team building days and/or training courses. This highly flexible space has recently undergone extensive re-development and extension including the installation of the latest high-tech audio-visual equipment, air-conditioning and fans. No two meetings are the same or have the same requirements, and the barrel room has been re-developed with this in mind, Able to cater for a variety of seating arrangements from theatre, cabaret and U-shape to classroom, you can plan your event to suit the needs of your day and those of your company. And, with plenty of space for break out groups, including a moveable and flexible lounge area, this is the ideal place for teams to work together. Depending on the chosen set-up for the event, the barrel room can cater for up to 30 individuals (seated) and offers a completely private and unique space in a stunning location.

HOLLYDENE ESTATE

THE PERFECT MEETING VENUE

Hollydene Estate is a truly unique corporate meeting and event venue. Whether your function is a board meeting, training course or team building day, an informal business lunch or a gala dinner, Hollydene Estate can accommodate it all. Nestled between the world famous thoroughbred studs of Coolmore and Darley (Godolphin), and with the scenic Hunter Valley Wine Country as a backdrop, Hollydene Estate Wines is located at the gateway to the picturesque Upper Hunter Region.

The family-owned and run Estate is situated on one of the Hunter's oldest vineyards - 'Arrowfield' and is located just over an hour and a quarter from Newcastle, and only two hours by road from Sydney. A producing vineyard, the family-owned estate was re-named and re-opened in 2014 following extensive renovation of the buildings and grounds by the Williams Family, it now incorporates the Upper Hunter's only restaurant in a winery - the stunning and multi-award winning 'Vines at Hollydene' and offers a flexible and impressive meeting/event venue.

With use of timbers from the nearby original Bowman's Crossing Bridge that once crossed the Hunter River, and turpentine timber from the original wharf at Goat Island Sydney, the distinct respect for the property's long history is apparent throughout and creates an exclusive and sophisticated environment for functions large and small.

Being located on the Golden Highway with an extensive car park and an ideal space for helicopters to land and take off from, the Estate is the perfect corporate option. A unique meeting and event venue, depending on your meeting requirements, it can cater for a variety of options from the versatile and ambient barrel room to the private self-contained boardroom, to the larger Vines Restaurant - perfect for informal corporate lunches or exclusive function hire before or after hours. The Vines Restaurant offers a variety of options to break up the day, starting with a wholesome breakfast (whether on the go or formal sit down), pausing for a delicious morning and afternoon tea, and enjoying a beautiful a-la-carte lunch in the restaurant. At the end of your day reward your team with post meeting drinks and antipasto boards in the Cellar Door or alfresco area whilst taking in the stunning surrounds.

Whatever your corporate event is, Hollydene Estate is completely unmatched in the region and offers an amazing alternative to on-site meeting rooms and run of the mill corporate spaces in the City.

THE BOARDROOM

PERFECT FOR SMALL MEETINGS

If you are looking for a small meeting room with a difference, then the boardroom at Hollydene Estate is perfect. Following a complete refurbishment in 2022, the boardroom offers access to the latest connectivity technology. With the installation of the CRESTRON ZOOM ROOM even those team members unable to attend in person can dial in and participate remotely making meeting scheduling easier. The large wall mounted TV links to a desktop unit and is connectable to anyone's computer providing instant access to slideshow presentations and/or other media, whilst the floor to ceiling windows offer plenty of natural light and sweeping views across the rolling countryside and vineyards. Able to cater for up to 10-12 people in a boardroom setting, this room offers complete privacy with state-of-the-art technology. Make your meeting exceptional with a delicious lunch selected from our seasonal a-la-carte menu in the Vines Restaurant and end your day with a tailored wine tasting or team drinks and snacks at our Cellar Door.
