The Pier and The Quay

Housed in our exclusive conferencing and events pavilion, our two main meeting spaces can be divided to create four separate rooms each boasting superb water views, capturing the sea breeze and flooded with natural light.

The Pier

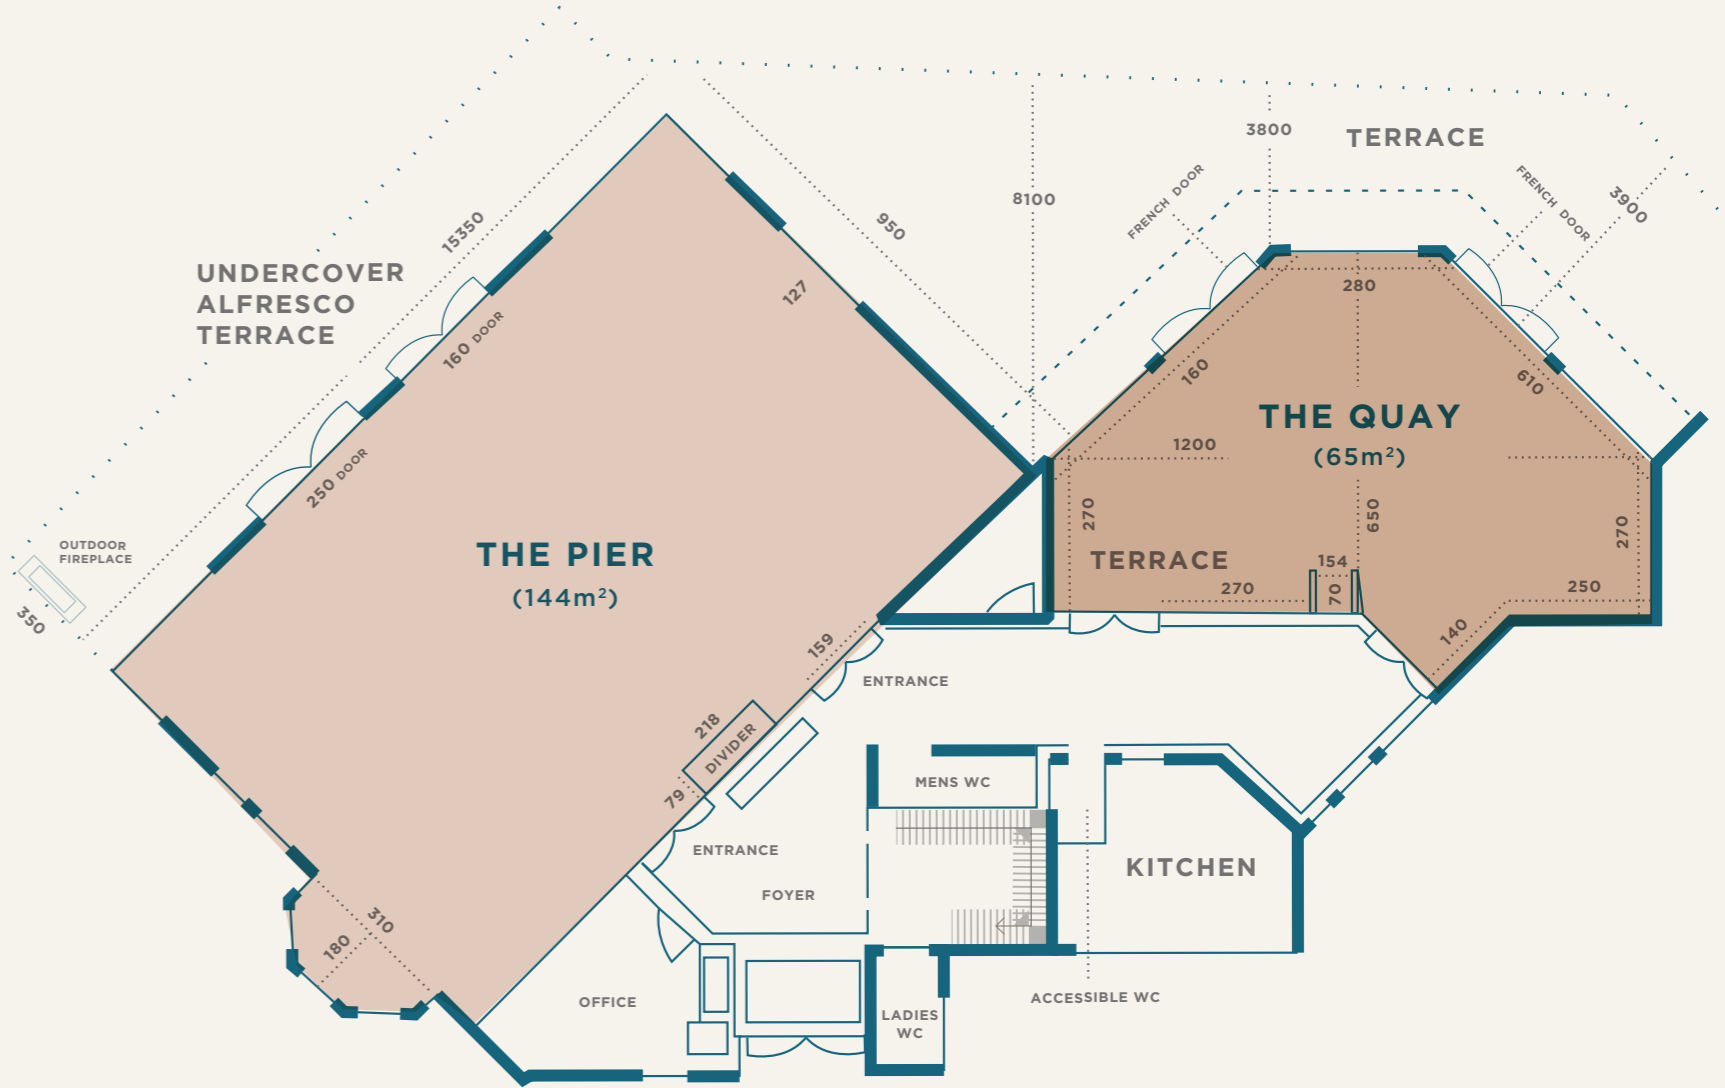

The Pier, our largest space, is ideal for cocktail functions of up to 160 guests, with a breezy seaside vibe, yet thoughtfully neutral for you to create your own style.

Opening out onto a private waterfront terrace – featuring a fireplace, all weather pergola, drop down weather screens and flexible bar set up, you can hold your pre and post event celebrations, or morning and afternoon tea breaks in this exclusive seaside setting.

The Quay

The Quay is a slightly smaller space, located next door to The Pier, yet in its own private enclave, and can accommodate a comfortable 70 guests for a cocktail event.

Please note: gala dinners in each room with music must conclude at 10.30pm due to noise restrictions.

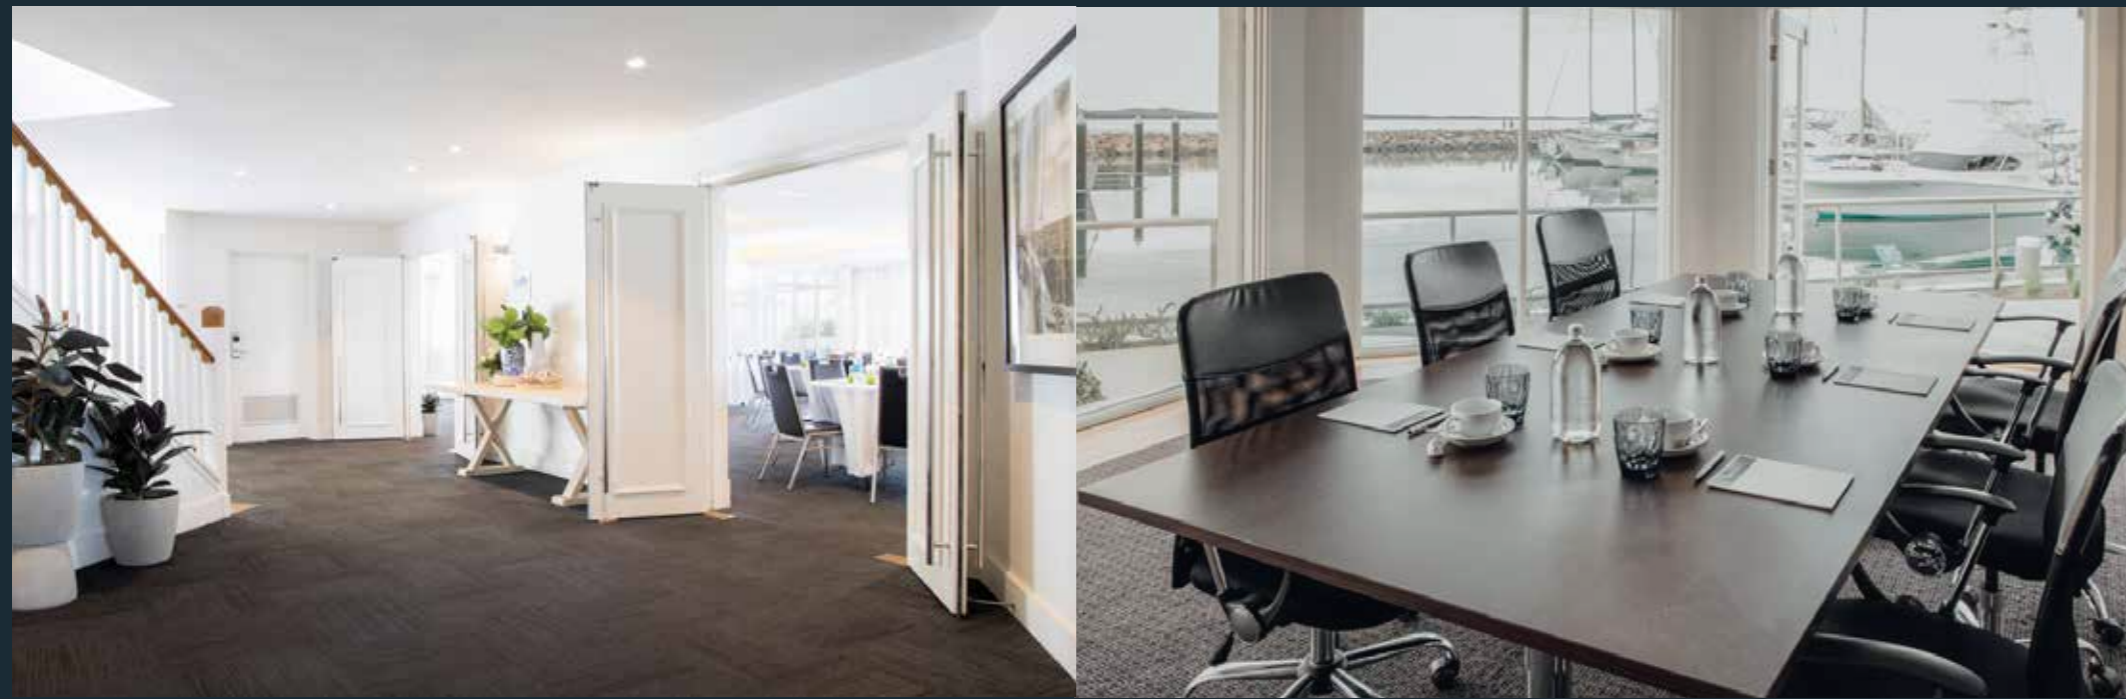

Boardrooms and *Breakouts*

With three boardroom style spaces at The Anchorage we can cater for the smallest executive retreat or, utilising several spaces, accommodate groups of up to 160 guests.

The waterfront Corlette and Dalton Boardrooms each seat 8-10 and boast floor-to-ceiling windows overlooking the marina. Opening out to the lawns, these intimate spaces are ideal for smaller retreats or off-site meetings. Each boardroom is equipped with the latest in AV equipment for your convenience.
